

First Announcement

Optimisation in X-ray and Molecular Imaging 2025

Gothenburg, Sweden

28-30 April 2025

Welcome to Gothenburg!

The planning of *Optimisation in X-ray and Molecular Imaging 2025* is in progress. The conference will cover a wide area of research related to optimisation of medical imaging and is intended for a broad audience of medical physicists, radiologists, nuclear medicine physicians, engineers, radiographers and biomedical scientists, as well as representatives for authorities and manufacturers. There will be a number of invited keynote speakers covering current research aspects. The conference will be held at Conference Centre Wallenberg at University of Gothenburg, close to Sahlgrenska University Hospital, Gothenburg, Sweden.

OXMI 2025 is the 6th in a series of scientific conferences focusing on optimisation of medical imaging, with special emphasis on image quality evaluation and radiological protection. Previous conferences have been held in Malmö, Sweden (1999, 2004, 2009), Gothenburg, Sweden (2015) and online (2020).

Contributions in the following areas are welcome:

- All aspects of optimisation in X-ray and molecular imaging
- Assessment of clinical images and observer performance studies
- Recent technological developments and their clinical impact
- Patient dosimetry and reference doses/activities
- Occupational exposure and radiation protection
- Physical measurements and quality assurance programs
- Modelling procedures
- AI and Deep learning in medical imaging
- Image display, monitors and their environment
- Education and training

The conference will include a commercial exhibition.

General information

Abstract Submission

The deadline for abstracts is 2 December 2024. An abstract template will be found on the conference website. Notification of acceptance will be given before 31 January 2025.

Proceedings

The proceedings of the conference will be published in Radiation Protection Dosimetry. Manuscripts must be submitted in English and comply with the "Instruction for Authors", which will be sent to the authors together with the notification of acceptance for presentation at the conference. Publication of the manuscripts will be subject to peer review.

Conference Venue

Gothenburg is the second largest city in Sweden with about 600 000 inhabitants. It is located on the west coast of Sweden, well known for its beautiful archipelago, culinary attractions, and strong industrial history.

The conference will be held at Conference Centre Wallenberg at University of Gothenburg, a modern, centrally located, and flexible multi-function venue for conferences, meetings and events. The Conference Centre Wallenberg is located close to Sahlgrenska University Hospital.

The international airport in Gothenburg is Gothenburg Landvetter Airport (GOT).

Sustainability

The participants are encouraged to consider the environmental impact of their travel and to stay at hotels located near public transports and identified to be committed to environmental improvement.

Conference PCO / Website / Contact

Mötesservice, University of Gothenburg

Website:

www.oxmi2025.com (opens 1 September 2024)

For questions related to registration

Email: info@motesservice.gu.se

For other questions

E-mail: oxmi2025@vgregion.se

Accommodation

A list of suggested hotels in different price ranges will be found on the conference website.

Registration

Registration opens 1 September 2024 on the conference website. For early bird registration fee, the registration form and registration fee must be received by the conference PCO no later than 28 February 2025. Late registration will be possible to a higher fee.

The registration fee will cover the scientific programme, book of abstracts, proceedings, lunches, and conference dinner.

Students, with an accompanying letter from their supervisor, will be able to register at a special student fee.

Additional information will be available on the conference website.

Social Programme

The conference dinner is on Tuesday 29 April 2025.

Local Organizing Committee

Angelica Svalkvist, chair
Johanna Dalmo, co-chair
Åke Jägervall, co-chair
Magnus Båth
Dieudonne Daba
Andreas Engström
Rolf Heckemann
Maria Hultenmo
Maria Larsson
Maral Mirzai
Martina Winnerhed
Emma Wikberg

Scientific Committee

Magnus Båth, Gothenburg, chair
Peter Bernhardt, Gothenburg, co-chair
Angelica Svalkvist, Gothenburg, co-chair
Anja Almén, Lund
Magnus Dustler, Malmö
Rolf Heckemann, Gothenburg
Åse A Johnsson, Gothenburg
Mika Kortnesniemi, Helsinki, FI
Michael Moores, Liverpool, GB
Anders Tingberg, Malmö

Others to be confirmed.
